La disposizione dei vani è molto flessibile: sono possibili adattamenti per esigenze particolari, come nei casi di accessibilità particolarmente difficoltosa.

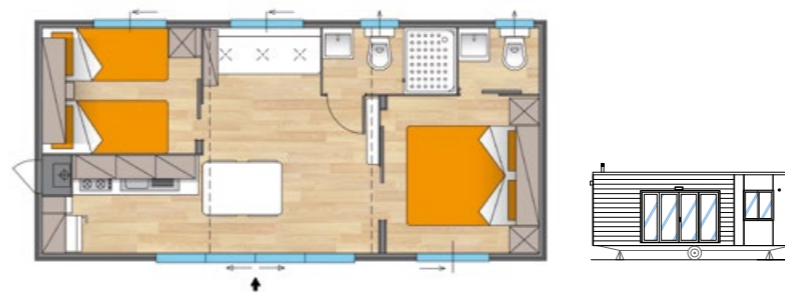

The room organization is very flexible and customizable: different options for particular needs are available, as for example, in case of difficult accessibility.

Raspored prostorija je jako fleksibilan: moguće su prilagodbe za specijalne potrebe, kao u slučajevima posebno teške pristupačnosti.

L'agencement des pièces est très flexible: on peut les adapter à des exigences particulières, comme dans les cas d'accès particulièrement difficile.
